

**APWA CM Committee
Survey Results
4-16-09**

The following are results based on a total of 17 APWA Spring 2009 conference respondents:

1. Have you ever been involved in the CM committee or CM sponsored activities?

47% Yes
53% No

2. If yes above, has your involvement in the CM Committee increased or decreased the past year? (Circle one)

The following are results out of 8 responds that answered yes to #1:

12% Increased
27% Decreased
50% Remained the same

3. If your involvement has decreased, please explain why. (Fill in box)

- New job
- No time. Need to make time.
- Lack of time.
- New job requires more work and less time for committee.

4. Regardless of responses above, what areas would assist in increasing your involvement?

47% Better networking opportunities
31% Improved topics
11% Location
11% Different meeting schedule
Other Remarks:

- Contractor relationship (respondent is a City personnel)
- It's fine the way it is.

5. What topics have been the most helpful and informative in past meetings?

39% Training
27%. New Technologies
17% New construction methods and equipment
17% Presentations on local projects completed
Other Remarks:

- Networking
- Utility Coordination
- Inspection Training

6. What areas do you feel could be improved upon, excluded or added to the meetings?

- My past involvement is due to my limited availability, but I am mostly interested in inspection certification at this time.
- Focus on several issues.
- More topics of interest.
- Real life problem solving techniques.
- Committee focus.
- Add contractor/owner integration
- Support APWA inspector certification program.
- Provide meaningful and timely topics and conferences.
- Free golf!
- Training inspectors involved in private inspection to pursue federal jobs.
