DON'T FLUSH TROUBLE!

Put used cleaning wipes, cloths and pads in the trash, NOT the toilet!

The label might say "flushable", but disposable wipes are clogging our sewer lines and damaging pumps and other equipment.

Not only are these problems expensive to fix, they can also cause raw sewage overflows into homes, businesses and local waterways. So, think trash, not toilets!

For more information, visit us on the Web at <http://www.kingcounty.gov/wtd> or call the Wastewater Treatment Division at 206-684-1280 or 711 TTY.
